

Go to the Limits of Your Longing

*God speaks to each of us
as he makes us,
then walks with us silently
out of the night.*

These are the words we dimly hear:

*You, sent out beyond your recall,
go to the limits of your longing.
Embody me.*

*Flare up like a flame
and make big shadows
I can move in.*

*Let everything happen to you:
beauty and terror.
Just keep going. No feeling is final.*

Don't let yourself lose me.

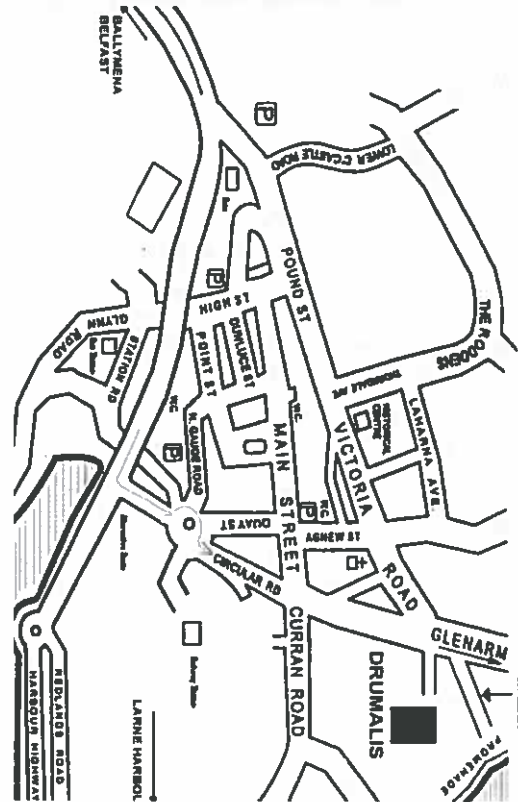

*Nearby is the country
they call life.
You will know it by its seriousness.*

Give me your hand.

- Rainer Maria Rilke

GLIMPSES INTO THE MYSTERY OF
THE UNFOLDING UNIVERSE 2017

This retreat will be an inward journey, continuing the process of exploration into the mysteries of the universe as it unfolds. The focus will be on *EMERGING CONSCIOUSNESS* and how this sheds light on our spirituality and belief systems. Themes to be developed will include story, relationality, possibility and abundance.

Participation in the previous Glimpses retreat is not essential.

- ◆ The Evolutionary Story of the Universe will be the context for the retreat.
- ◆ The style will be reflective, participative and exploratory.
- ◆ Meditation, ritual, poetry, art, music, dance and outdoor activities will be an integral part of the retreat.
- ◆ We will draw on the wisdom of the whole community of life, the insights of science, the shared wisdom and experience of the participants and the timeliness of this moment.

*"Thank God our time is now
when wrong comes up to meet us
everywhere never to leave us till we take,
the greatest stride of the soul man ever
took. affairs are now soul size the
enterprise is exploration unto God."*

- Christopher Fry
